

STEP 2 – PERSONAL STATEMENT

Students with mitigating circumstances that contributed to their dismissal status (e.g. illness, injury, death in the family, etc.) may appeal for an additional semester of eligibility in order to demonstrate improved academic performance. Lack of awareness regarding withdrawal and/or Satisfactory Academic Progress policies or lack of preparation for college coursework are not considered mitigating circumstances for appeal.

Please explain in your own words what mitigating or extenuating circumstance prohibited you from meeting the Satisfactory Academic Progress requirements. This information should be typed and submitted on a separate sheet of paper. Keep in mind that the more information you provide, the better we are able to understand and evaluate your circumstances.

STEP 3 – SUPPORTING DOCUMENTATION (REQUIRED)

Attach documentation in support of your mitigating or extenuating circumstances (example: doctor's note or medical documentation, copy of obituary or death certificate, legal documents, letters from professional services, etc.) The documentation must include dates that correspond to the terms that resulted in dismissal.

In addition to your supporting documentation, you may also include a letter from a professional source (instructor, employer, counselor, student support staff member, etc.) indicating your likelihood of academic success. Parents, relatives and friends are excluded from writing this letter. This letter is not a substitute for supporting documentation.

STEP 4 – ADVISING & EDUCATIONAL AGREEMENT PLAN

Schedule an appointment with your assigned academic advisor to complete this step. Form is available on next page – complete Section A prior to your appointment.

STEP 5 – TERMS OF FINANCIAL AID PROBATION

I understand that IF this appeal is approved, I must successfully meet one of the following by the end of the term of reinstatement in order to continue receiving financial aid:

- Meet all Satisfactory Academic Progress requirements for Good Standing, or
- Successfully complete all coursework attempted with a grade of C or better, or
- Successfully complete all coursework attempted while maintaining a 2.0 cumulative GPA.

If I do not meet the terms of my Financial Aid Probation, the extension of my financial aid eligibility will be terminated and I will not be eligible of financial aid at Black Hawk College until I can reach Good Standing without financial aid support. Timeframe limits also apply.
